Annual Impact Report 2023

www.educationempowers.org

Dear Friends of Education Empowers,

Thank you immensely for your unwavering support and dedication to Education Empowers Inc.'s programs in STEAM & Robotics. Your continued commitment has enabled us to offer a myriad of enriching programs and opportunities for students in grades K-12, encompassing Robotics, AI Drones, Make-a-thons, STEAM career explorations, connections with industry professionals, and monthly training for STEAM Ambassadors, volunteers, & SWE next. In 2023, our programs reached 55 team locations and more than 10,000 students.

As we approach the end of the year, when reflecting on the organizations that have touched your life, we hope Education Empowers Inc. remains close to your heart. We extend our deepest gratitude for your continued support.

Best regards,

Education Empowers Board
